Backend Java Developer with 1 year of hands-on experience (6 months full-time + 6 months internship) in building RESTful backend systems using Java and Spring Boot. Strong in SQL, backend workflows, and real-world project implementation. Actively seeking Software Engineer (Backend Java) roles.

Skills

Backend: Java, Spring Boot, REST APIs, JPA, Hibernate

Databases: MySQL, PostgreSQL, SQL (joins, indexing, normalization)

CS Fundamentals: OOPs, DBMS, OS basics, Data Structures

Tools: Git, Maven, Postman, Docker, IntelliJ IDEA

Professional Experience

Consultadd Inc., Software Engineer (Backend)

May 2025 – Oct 2025

- Developed and maintained REST APIs using Java, Spring Boot, and Hibernate for a finance-domain client.
- Implemented service-layer business logic, validations, and database interactions following layered architecture.
- Reduced manual spreadsheet-driven workflows by automating backend data processing pipelines.

Elite Software Pvt. Ltd., Software Engineer Intern

Jan 2023 – Jun 2023

- Contributed to backend development of web applications by designing APIs and database schemas.
- Worked on SQL queries, backend validations, and client-server data flow.

Projects

Yatrik – Hotel Booking & Management System

Personal Project | 2025

- Designed a scalable backend architecture inspired by Airbnb using Spring Boot, JPA, and PostgreSQL.
- Implemented booking workflows including availability checks, inventory control, and transaction safety to prevent double bookings.
- Built role-based access control (USER / HOST), booking status lifecycle, and exception handling.

Zaminwala – Real Estate Listing Platform

Mar 2025 – May 2025

- Developed RESTful microservices for property listings and user management using Java and Spring Boot.
- Designed relational MySQL schemas and implemented JWT-based authentication.

Education

Savitribai Phule Pune University, Pune

B.E. in Computer Engineering

Jul 2020 – May 2024

CGPA: 8.49/10

Extra-Curricular Activities

- Led teams as a Writer, Director and Actor for several plays performed for state level dramatics competitions
- Organized theater-related programs and workshops, engaging with students to foster creativity and artistic expression
